

The Children's Reflexology Programme

Would you like to help parents learn a new way to help themselves and their children through everyday life and times of illness and distress?

The Children's Reflexology Programme Instructor Course

Goudhurst, Kent - Tue 28/11/17

3 day course for non-reflexologists
2 day course for reflexologists

This exciting three day course will show you how to teach parents The Children's Reflexology Programme so they can use this gentle therapy with their families.

The course covers everything from reflexology through teaching techniques to running your business.

You will be provided with all the resources you need to teach the programme including access to our extensive online facilities personalised for you.
